

2017-18

Prize for JNARDDC in International Seminar at NEERI

JNARDDC presented a poster entitled “Value Addition & Utilization of Wastes-Aluminium Industry” at an international conference on “Integrated Solid Waste Management Practises in Developing Countries” held on 11-12 April, 2017 at CSIR-NEERI, Nagpur and bagged third prize for best poster presentation.

Best Paper Award for JNARDDC in a National conference

JNARDDC presented a paper entitled “Preparation of Fe/Ti/Al Nanoparticles and Mixed Nanocomposites from Aluminium Industrial Wastes” at a “National conference on Mechanical Engineering and Emerging Technologies” held on 23-24 Feb, 2018 at Christ University, Bangalore. The presented paper of Dr. Priyanka Nayar, Jr Scientist has also been published in STM journal.
