

# EXTRUDERS MEET

**30<sup>th</sup> April 2021**

09:55 – 10:15	Welcome address	Dr A Agnihotri Director, JNARDDC
10:15 – 10:30	Inaugural address	Shri Satendra Singh Joint Secretary, Ministry of Mines
10:30 – 10:50	New developments in Al-extrusions	Shri Ashok Bhatia GM R&D, Jindal Aluminium Limited
10:50 – 11:10	Aluminium extrusions for emerging India	Shri B Alexander, Head Extrusion, HINDALCO
11:10 – 11:30	Al. Extrusions for Aerospace Applications- Indigenisation efforts, Quality requirements and Challenges ahead	Shri Rajiv Panda, Scientist 'SG' Materials Management Div. VSSC (ISRO)
11:30 – 11:50	Al extrusions & impact of die design	Shri V Preamsagar Director Marketing, Sagar Asia Pvt Ltd
11:50 – 12:10	<b>Question Answer Session - Please post questions in the chat box</b>	
12:10 – 13:00	Extrusion facility show case by JNARDDC	Shri VNSUV Ammu, Sr Scientist, JNARDDC In-charge Extrusion Facility
<b>BREAK</b>		
14:00 – 14:20	Billet quality & new alloys	Shri R S Adhikary Lead, Customer Technical Support, Vedanta
14:20 – 14:40	New technologies for Al extrusion	Dr Hansjörg Hoppe SMS, Germany
14:40 – 15:00	Billet quality for Al extrusion	Dr S P Mohapatra DGM, R&D, NRTC, NALCO
15:00 – 15:20	Energy saving technologies	Mr Andrea Persegoni Presezzi Extrusion, Italy
15:20 – 15:40	Role of extrusions in transport sector	Shri Mahesh Patwardhan GM, ARAI-EDS
15:40 – 16:00	Evolution and prediction of microstructure during aluminum extrusion process	Prof Lorenzo Donati University of Bologna, Italy
16:00 – 16:20	<b>Question Answer Session - Please post questions in the chat box</b>	
16:20 – 16:50	Open forum and concluding session	Moderated by Shri R N Chouhan Head, Downstream, JNARDDC
